GENERAL INFORMATION

How To Put Together Your Group Outing

Putting together a group outing can be overwhelming, but you don't have to plan it alone. We know how to make your big event a success. At Parrot Island Water Park, we have all of the waves, spills, fun, and excitement it takes to make any group outing an event you will long remember. Groups of 15 or more qualify for special group discounts. Your Parrot Island Water Park sales representative will help you with all the details.

Meanwhile, here are some things you should know when planning your event.

Ticketing Procedure

At Parrot Island Water Park, you get all day for one low admission price. Contact a group sales representative at 479-788-4173 to find out how to plan your group's outing and make it an enjoyable event for everyone.

Corporate Discount Payment

To guarantee your outing date, all you have to do is make a \$250.00 deposit at the time you sign your confirmation contract. The deposit is non-refundable and will be deducted from your final invoice, which will reflect only the actual number of admission tickets redeemed on the day of your event. The balance is due upon receipt of the final invoice. Tickets are valid only on the day of the event.

Catering Services (optional)

Parrot Island Water Park offers catering for groups of 25 or more. Your group can enjoy a delicious old-fashioned picnic served buffet-style. See page 4 for complete information on menu and catering services. You can select your menu from a variety of traditional favorites, including hamburgers and hot dogs, grilled chicken breasts, and more. All are served with side dishes, condiments, and unlimited beverage service during mealtime. You'll be served, with personal attention from our catering team, in our private picnic area, which offers covered pavilions reserved exclusively for use by catered groups. To ensure that your group knows what time to meet at your picnic pavilion, meal service and refreshment times are printed on each of the admission/meal tickets you receive in advance of the event.

Event Support Materials

Communication is the key to a successful event. A variety of free promotional materials are available to help you announce your group event. We can supply full-color announcement posters, payroll stuffers, logos, and newsletter information. For very large groups, on-site assistance can be arranged through your sales representative.

Fun Day Tickets

To reserve a day of water play, and great entertainment for groups of 15 or more, simply select a date and invite all members of your group to join in the fun. Your group could receive a full day's admission to Parrot Island for as little as \$14.00 per person. Contact a group sales representative at 479-788-4173 for further information.

Corporate Consignment Tickets

Consignment tickets provide a great money-saving benefit for your employees, and cost you nothing. By participating in a consignment program, you simply offer your employees the opportunity to purchase discounted tickets at work – saving them at least \$5.99 off the regular general admission price. We will simply bill you monthly for the number of tickets used. (A minimum order of 15 tickets is required to participate). Credit will be given for all unused tickets returned at the end of the season.

Online Consignment Tickets

Just like corporate consignment, but without monthly billing. Your employees will go to a special webstore set up just for you. You will have a special promotional code used at checkout to save you \$6.99 per ticket. That's a 35% savings off of general admission.
